July 2023

As the Clerk of Cook County, I am proud to publish this Directory of Elected Officials, a multi-platform, comprehensive resource that includes contact information for all federal, state, county, municipal, and local elected officials in Chicago and suburban Cook County.

Each voter in Cook County is represented by multiple elected officials on many levels, from U.S. Senator and County Commissioner to local School Board and Park District trustees. This directory provides Cook County residents with the information they need to contact their representatives at all levels of government to access services, make inquiries, and continue to have their voices heard long after the polls close on Election Day.

This directory is available on our website at cookcountyclerk.com/does. Residents can also locate the elected officials who represent their household by searching by their address or by using the name or level of government of the official they are seeking to contact.

Our online edition of this directory is available as a PDF or in Excel format.

The importance of the vote in our democracy means nothing if elected officials are not accessible and accountable to the voters we serve. I hope that you find this directory a useful and beneficial resource to continue to make your community and our democracy better for all those represented.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen A. Yarbrough".

Karen A. Yarbrough
Cook County Clerk
