Registering to vote is the first step in participating and building a better democracy. Every student who can vote, should vote-not just in presidential elections but in every election.

**Anyone who is a U.S. Citizen and 18 by the next election can register to vote:**

- At the Secretary of State's office when you obtain your Driver's License or State ID
- By downloading a voter registration application from our website, [cookcountyclerk.com](http://cookcountyclerk.com)
- Or ask your teacher or school official where registration is available on campus

**Register others:** The Clerk's office also works with colleges throughout suburban Cook County to organize voter registration efforts. We can help:

- Provide deputy registrar trainings for those looking to conduct a registration drive
- Establish comprehensive programs that build registration into the enrollment process
- Provide registration materials and posters
- Provide a weblink that will link directly to voter registration forms and key election information

We are eager to work with you to determine how best to register students at your school.

## Serving on Election Day

*It was a great experience, and I would do it again in a heartbeat.*

Philip James Delap  
Roosevelt University

*When I went to the bank to deposit the check, the teller asked me if I served in the Election then thanked me for that. It was a pleasant feeling.*

Monika Buczek  
UIC

*I had a great experience. I hope to serve as an Equipment Manager year after year!*

## COLLEGE PROGRAM

By getting involved early in life, students learn that they can make a difference both locally and globally. As part of the Cook County Clerk's College Program, students have the opportunity to get a behind-the-scenes look at the democratic process. They may participate as paid poll workers on Election Day and/or learn how to effectively organize a voter registration effort on campus.

# Student Judges

The Clerk's office recruits students to serve in our suburban Cook County polling places. Students get paid to serve their community on Election Day while getting a behind-the-scenes look at the democratic process. Of students who have served in the past:

- 74 percent report being more likely to vote in the future
- 92 percent report that they would be willing to serve again in the future

There are two positions available to students who are interested in participating: **Election Judge** or **Equipment Manager**. The two positions are similar as both involve assisting voters, but Equipment Managers are also responsible for setting up and maintaining our voting equipment. Due to the additional responsibility, Equipment Managers receive more training and higher pay.

## Compensation

- Election Judges earn \$200
- Equipment Managers earn \$34

## Qualifications

- U.S. citizen
- Fluent in English (bilingual judges always needed)
- Either a registered voter of Cook County **OR** a college student with a GPA of 3.0 or higher.

## Election Judges Must:

- Complete an online and hands-on training class
- Set up the night before the election
- Work from 5 a.m. until polls close at 7 p.m., the results are transmitted, and the equipment has been packed up.

## Equipment Managers Must

- Have access to a car and a cell phone on Election Day
- Complete two hands-on training classes (each class lasts about 3.5 hours)
- Complete an online training course
- Be willing to work outside your home area in suburban Cook County (NOTE: EMs will be placed as close to home as possible but in some cases may need to travel)
- Set up the voting equipment (with assistance) the night before the election
- Assist voters and manage equipment from 5 a.m. until the results are transmitted and the equipment has been packed up at the end of the night.
- Deliver materials from your precinct to a nearby receiving station.
